

Pittsfield Village Condominium Association

Handicap Access Modification Specifications

The following are requirements that must be filled out on the modification request form.

- Type of Accommodation
- Expected time it will be needed- x months or indefinite number of years
- Detailed scale drawing of project
- Note any alterations to exterior of building or landscape (removal of ramp or other modification will be at the cost to the owner)
- Does the project require a building permit? If yes provide a copy of the permit
- List of materials

Expectations: All work to be done in a professional workman like manner. Work should not begin until approval has been granted. The owner must pay for a building permit and inspections required by law. When modification is no longer needed or the unit is sold the owner must pay for restoration including landscape material.

If you have any questions, contact the Village Maintenance Supervisor at (734 971-0233).
