Light up the Village Contest!

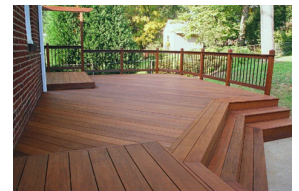

It sure is nice driving through the community this time of year! Although, all seasons here at the Village hold their own special charms and attractions, don't they?

Congratulations to 3405 Norwood for winning this year's Light / Decorations Contest!

Decks-Quick Fixes

Even the hardiest decking boards need care to look their best. Here at Pittsfield, it is the owner's responsibility for repair and maintenance of the decks, even though the Association offers power washing and staining on a 3-year rotation.

Debris: don't allow leaves, dog hair and detritus to accumulate between the boards and promote rot. At least once a year, clear off the deck and give it a good sweeping and a light scrubbing with soap and water.

Mildew and Algae: these can grow on any surface but are easily kept in check with regular cleaning, using a wood cleaner that contains oxygen bleach and a soft-bristled brush. Rinse with garden hose and water.

- (2) Dark wood lateral files. 2 drawers each. \$25 per cabinet. Great condition. Call the office for details.

- Blinds for Village windows: good condition, ivory color, with hardware. FREE. Call 734-368-5442
- Kohler kitchen faucet, new in box. Wholesale price. Call 734-368-5442

Compost-Notice

Compost pick-up ended on 12-4-15. Compost pick-up will resume in the spring, by the City of Ann Arbor.

If you currently have compostable materials to dispose of, you may take your compost to the Drop-Off Center between now and spring. The Drop-Off Center is located at the corner of Platt and Ellsworth.
